Registration Begins: August 14

Meeting sessions will include topics listed below, in addition to other high school and college prep sessions.

DOLLARS AND \$ENSE- Achievers will have fun learning the basics of how money works and how to work with their money. These future leaders will also gain key knowledge in best practices and how to work towards their goals.

PUTTING YOUR BEST FACE FORWARD WITH PARTIES & POLITICS—Achievers will be fine tuning their best selves through giving speeches, selling themselves by practicing interviewing and writing resumes.

RESCUERS R' US- During this week achievers will gain skills that will harness their ability to be responsible. They will attain knowledge and certifications in the areas of babysitting, water safety and CPR/First-Aid.

COLLEGE WARS- On your mark, get set, GO! Everyone will get to experience the thrills of sporting and competing with each other. Team work and team building activities will be a key element this week as they learn how to work within group dynamics.

FOOD, FUN, AND FITNESS-Achievers will practice being young chefs, health nuts, and nutritional gurus. They'll learn about nutritional balance while preparing some simple and tasty meals for themselves. Hosted by: Southern University

SCHOLARSHIP OPPORTUNITIES AVAILABLE

Grade Levels: 8th - 12th
