## **YMCA OF THE CAPTIAL AREA DISTANCE LEARNING FAQs**

### **What is the Distance Learning Program?**

As school resumes on a modified schedule, working parents are charged with finding ways to ensure that their children do not fall behind. The YMCA Distance Learning Program is designed to offer adult supervision to students while completing their virtual school work. The Y will provide directed supervision, wi-fi and a space to complete school work.

### **How does distance learning work?**

- Our staff will monitor students' remote learning and help keep them on track with their designated log-in schedules. Staff will assist students in logging in as needed. Our staff will not be providing intensive tutoring on any subject matter but will provide light assistance as able and applicable. Completion of school work will be the responsibility of the student for them to stay on track. Staff will assist in this process.

### **Which YMCA locations offer the distance learning program?**
