Lane Usage:

During high usage times, please communicate with the lifeguard on duty to assist in obtaining a lane for your use.

Cold Weather Policy:

If the air temperature is 39° or below, pool must remain closed until air temperature reaches 40° per www.weather.com website.

Inclement Weather Policy:

In the event of inclement weather, for each strike of lightning seen or each sound of thunder heard, with or without the presence of rain, all portions of the aquatics facility, including the deck, will be cleared of all patrons and staff immediately and closed for a minimum of 30 minutes. Facilities will reopen after a minimum of 30 minutes passes with no lightning/thunder. In the event that rain occurs without thunder and/or lightning, the aquatics facility will remain open until the bottom of the pool is no longer clearly visible by the lifeguard(s). If/when there is no longer clear visibility, all areas of the aquatics facility, including the desk, will close immediately. Once visibility is clear, and no thunder/lightning occurs, the facilities will reopen.

Weather closing procedures will be directed by and are at the discretion of the lifeguards.
