"If you train hard, you'll not only be hard, you'll be hard to beat"Herschel Walker

School is back in and we are off and running with the renewed fall variation of the Junior Tennis Academy starting August 15th. Registration pamphlets for participants are available in the Pro Shop, and I encourage everyone to pick up a copy and sign their children up. Our enrollment has grown so much in the past year that we are now able to offer three separate programs for all ages and experience levels. Beginner, intermediate, and advanced players, from ages 5 to 18, are all welcome to participate in our ever-growing Junior Program.

As part of the YMCA Junior Tennis Academy, we will have at least one Play Day per month. These events will be held on Saturday mornings and are very important for fostering each player's overall development, as well as their understanding of how to compete.

Clear your calendars for the morning of September 15, because you will not want to miss this fun event we have in store! This date will mark first edition of the YMCA Lamar Tennis Center Family Day. Family Day will be offered once a month throughout the entirety of the fall season and will consist of activities for the entire family:

- 9 A.M. Parents will hit with their children for about 45 minutes (Ronnie and Connor will be walking around to help)
- 10 A.M. We will have a Junior Play Day for the children while the adults play in their own round robin. Both events will last until about 11:30 A.M.

Also, the YMCA Club Championship Doubles Tournament will begin Thursday evening, September 27th, and conclude Saturday, September 29th. Divisions available for registration include Doubles, Mixed Doubles (2.5, 3.0, 3.5, and 4.0), Open, and 65+ Age Division (3.0, 3.5, and 4.0).

Please help spread the word for the upcoming USTA Tennis Apprentice Program, which begins Wednesday, August 15th at 7pm. If you know of anyone who would enjoy learning the game of tennis at an affordable price, please inform them of this opportunity. The \$60 registration fee includes a USTA membership, four nights of lessons, a player party, and a shirt to commemorate the program's completion.

The first day of September coincides with the launch of a membership drive for the Lamar Tennis Center, sponsored by Wilson Sporting Goods. Get a member to sign up and your name will go into a drawing for the newest Roger Federer Pro Staff!

And finally, coming in October we will have our first ever YMCA Fantasy Tennis League and Love of the Y Tennis Tournament...stay tuned

God bless,
Ronnie Walters
